Lt. Colonel Richard D. Small
Headquarters, Air Force Security Service
Kelly Air Force Base
San Antonio, Texas

Dear Colonel Small:

I would like to express my thanks again for your pleasant and courteous hospitality during my visit to the Security Service. I found it very stimulating to meet so many capable and intelligent people at work on problems of great concern to our national security.

I have managed to get hold of some copies of the draft document that I mentioned concerning guided missiles and what we need to know about them. Please remember that the document was drawn up with another source in mind, but you still may find it useful to appropriate people in the Security Service. I am sending these copies along, therefore, for whatever use you can make of them.

Please let me know if there is anything further that I can do for you here. I hope I will have a chance to see you in Washington within the near future. Please give my regards to your wife and thanks again.

Sincerely yours,

William A. Tidwell
Assistant to the DD/I (Planning)
